himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any.

The successful tenderer should execute a contract agreement within a fortnight from the date of communication of approval to him.

The earnest money of the rejected tenderers will be refunded, on application, only after any of the tender is received approved or two months, after the receipt of tenders if the tender of the successful contractor has not been received approved.

Copies of estimates and plans can be seen in the Office of the Executive Engineer, Chitaldrug Division, on all working days between 11 A.M. and 5 P.M.

Specific rates should be quoted both in figures and in words for each individual items of work. Tenders offering percentage reduction or increase will be rejected.

For all lumpsum items, only the minimum schedule of rates or data *plus* 10 per cent will be given if the rates do not appear in the schedule of rates.

All over-writing and corrections while submitting the tenders should be attested by the tenderer.

The quantities given in the estimate are only approximate and the drawings shown to the contractor are only tentative and are liable to alterations, omissions, deductions, or additions at the discretion of the Executive Engineer, or his representative. The tendered rates will hold good for any quantity, whether higher, or lower than those given in the estimate.

The contract should not be sublet.

The contractor should make his own arrangements for transportation of materials.

Only Chamundi brand cement must be used for the construction. The contractor is responsible for all accidents to workmen, etc., on the work and he must take precaution against all risk of accidents and if necessary provide for the same by insurance at the proper time. The contractor should arrange for the payment of royalty, tolls, taxes, etc.
